Subject: EPA testimony in Pillon case

Good Afternoon Scott-

I received your letter today regarding the request for EPA testimony and documents in *State of Washington v. Charles Pillon*. I believe it bounced around through a few different hands before landing on my desk as I see it was sent August 9, 2017. I am reviewing the request with EPA program management and Allyn Stern. I am aware of the trial date of September 25, 2017, and will work to provide a response to your request as soon as possible.

Sincerely,
Kris
